15, Charles de Gaulle Place  
Sector 1  
11857 Bucharest, Romania

Dear Sirs,

The T&T Consulting structure cabling solutions are used by Vodafone Romania as being in concordance with our business requirements.

Over the last years T&T Consulting has implemented for Vodafone Romania the important structured cabling projects, according to the quality of services requirements and in shortest time period as we required in the projects.

Yours faithfully,

Romeo MILEA

MANAGER Network Operations Center

Vodafone Romania S.A.
